EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

To combine the abstract's two paragraphs into required one paragraph form, ***the abstract has been rewritten as follows:***

---A device for warming tortillas and other foods, which operates with a standard electric alternating current ranging from 110 to 120 volts in the US and 220v -240v in other countries. This appliance is to be used in homes or in businesses for the purpose of warming either corn or flour tortillas in quantities ranging from one up to six at a time. Electric heater elements are located within the unit and heat the tortillas placed on a plurality of circular loading trays. The loading trays are specially designed to lock-in-place in the open and closed positions and are designed to work with a vertical pivot tube which allows the loading trays a pivot-swivel action for efficiency in the loading and unloading of tortillas.---

This application is in condition for allowance except for the presence of claims 16-23 non-elected without traverse.

Accordingly, claims 16-23 have been cancelled.
